

Santos-Rivera v. Garland - Agency Decision

Agency Decision in Santos-Rivera v. Garland. Procedural posture: Petitioner seeks review of a Board of Immigration Appeals decision dismissing asylum and withholding claims and affirming denial of Convention Against Torture protection. Record material: The Board dismissed the appeal thirty days before the petition for review was filed. Issue: Timely petition for review. Standard of review: de novo jurisdictional review. Record excerpt: Board final order. The Board dismissed the appeal and adopted the immigration judge's nexus and CAT findings with a short supplemental explanation. Nature of suit: Agency Review - Immigration. Lower tribunal: Board of Immigration Appeals.
